

QUESTIONNAIRE
PURCHASE OF AGRICULTURE CONSERVATION EASEMENT SITE

Applicant's Name:

Applicant's Address:

Farm Tract County:

Acres In Farm Tract:

Choose one response in each category:

I. Agricultural production within 1.0 miles of parcel.

| | |
|-----------------------|-------|
| More than 90 percent. | _____ |
| 89 to 70 percent. | _____ |
| 69 to 50 percent. | _____ |
| 49 to 20 percent. | _____ |
| Less than 20 percent | _____ |

II. Perimeter in non-urban use (land adjacent to applicant's property).

| | |
|-----------------------|-------|
| More than 90 percent. | _____ |
| 89 to 70 percent. | _____ |
| 69 to 50 percent. | _____ |
| 49 to 20 percent. | _____ |
| Less than 20 percent | _____ |

III. Distance to urban built-up areas.

NOTE: Urban means incorporated or annexed areas of cities or towns.

| | |
|------------------------------|-------|
| 2 miles or more | _____ |
| 1 mile to less than 2 miles | _____ |
| 0.5 mile to less than 1 mile | _____ |
| Less than 0.5 mile | _____ |

IV. How much of the site has been farmed (managed for a scheduled harvest, including farm “set-a-side” programs and/or in forestland) more than five of the last ten years?

A. Farmed – Percentage of Total

100%-75% _____
74%-50% _____
49%-25% _____
24%-0% _____

B. Forestland – Percentage of Total

100% - 75% _____
74%-50% _____
49%-25% _____
24%-0% _____

V. Conservation District Board's Recommendation.

NOTE: When making a recommendation, please keep in mind the current and future land use trends of the area surrounding an applicant's property. For example, would the PACE Corporation acquiring an agricultural easement in this area result in the protection of an important area of agriculture production or is this an area where a large portion of this county's development and growth should be occurring.

_____ Conservation District reviewed and recommends approval.
_____ Conservation District reviewed and does not have a recommendation.
_____ Conservation District reviewed and recommends to not approve.
